Our Activity Groups offer Members opportunities to join others that share their interest in a particular Activity.

These Groups cater for members who wish to focus on a particular type of activity rather than on a range of activities that are available in the Regional Groups. Your membership of ARPA entitles you to join as many Activity Groups as you desire.

Members may form new Activity Groups (with the assistance of the ARPA Active Over 50s Office) and present groups may close as the interests of Members change – it is member driven.
